

**Outcome Data – Program Retention**  
**Medical Assistant Program**  
**Concorde Career College**  
**Portland, OR**

Outcome	2012	2013	2014	2015	2016	5 Yr Average
Retention	86.89%	84.37%	85.00%	85.77%	78.79%	84.47%

\*Retention rates are calculated by taking the number of graduates divided by the total number of students started. These rates were included in the 2017 Medical Assisting Education Review Board (MAERB) Annual Report.

In an effort to prepare students for academic achievement Concorde Career College provides a number of support services. These services have resulted in an average retention rate of 84.47% over the last five years.
