

Placement Rates

Federal regulation 34 CFR § 668.41(d)(5)(iii) requires that if a school calculates placement rates for any purpose, these rates must be disclosed to prospective students and enrolled students.

Concorde Career College, Memphis calculates and reports placement rates to the Council on Occupational Education (COE) annually. The following information is taken from the 2017 COE Annual Report, submitted in 12/2017.

Rates are calculated by taking the number of graduates employed in the field of study divided by the total number of graduates (excluding graduates unavailable for employment due to situations such as pregnancy, other serious issues (physical/mental behavioral, caring for ill family members, incarceration, death, refusing an employment offer, whose status is unknown).
