# MEDICAL OFFICE ADMINISTRATION

Aurora, CO

## Program Overview

The Medical Office Administration (MOA) program is a generalist program that will equip graduates with the skills necessary to function in a wide range of medical office business and financial settings. Specific skills include accounts receivable and payable, billing and fee collection, payroll and taxes, records management, insurance claims processing, insurance coding, typing and word processing, medical terminology, anatomy, oral and written communications, and public relations.

## Program Objectives

The objective of this program is to prepare students with sufficient theoretical knowledge to secure entry-level employment in front office positions at physicians' offices, dental offices, hospitals, insurance companies, and ancillary medical and dental organizations.

- To provide a learning atmosphere that is similar to an actual working atmosphere and an experience in the clinical area to correlate with classroom instruction.
- To instill in the student a sense of professionalism in behavior, attitude, and dress.
- To foster a basic work ethic that will enhance professionalism and skills in work performance.
