# MEDICAL OFFICE ADMINISTRATION

Tampa, FL

## Program Overview

The Medical Office Administration (MOA) program is a generalist program that equips graduates with the skills necessary to function in a wide range of medical office, business, and financial settings. Specific skills include accounts receivable and payable, billing and fee collection, payroll and taxes, records management, insurance claims processing, insurance coding, typing and word processing, medical terminology, anatomy, oral and written communications, and public relations.

## Program Objectives

- To prepare students with sufficient theoretical knowledge to secure entry-level employment in medical office positions.
- To provide a learning atmosphere that is similar to an actual working atmosphere and experience in the clinical area to correlate with classroom instruction.
- To instill a sense of professionalism in behavior, attitude, and dress and foster a basic work ethic that will enhance professionalism and skills in work performance.
